Dear Mrs. Giang Tien – President of VEF,

On behalf of Faculty of Information Technology (FIT), I would like to express my deep gratitude for your generous donation of \$3,200 to our poor students. Your contribution makes it possible for us to help students who encounter many difficult circumstances can afford their studies in one year. Based on this donation, we have been funding 8 students with the allowance of \$400 for this year.

I once again thank you for the selfless interest that you have shown. I hope that this alliance continues further.

Most sincerely,

TRAN Dan Thu
Dean of the Faculty
